

Fabric Bowls

Linda Johansen
758 - 9333 e: lindajo@peak.org

You will make two styles of bowls in class. Please check the supply list carefully.

Supply List:

sewing machine **in good working order** and able to do zigzag stitching
open toed embroidery foot for your machine
darning foot for your machine if you have one
sewing machine needles: size 80/12 or 90/14 - **top stitching**
3 + extra bobbins (the more the better)
decorative threads, cotton, polyester, etc... **whatever you are comfortable using** - this is **NOT** the time to experiment with new threads!
scissors for thread & fabric cutting
double curved, duck billed appliqué scissors, optional, but an excellent tool
school compass or 1 x 12 rotary ruler and Gridhold yardstick compass
pencils for marking fabric (marks will not show, #2 pencil & white marker are fine)
seam ripper
straight pins
rotary cutter & large rotary cutting mat
12 ½" square rotary ruler (bring if you already have & please be prepared to share!)
dinner plate or other large round template!
temporary spray adhesive for fabric
hot iron cleaner
ironing protective sheet - to protect ironing board (I use June Tailor, 18" sq)
extra irons & ironing boards would be helpful - bring a cloth to cover & protect the surface of your board
3 yards of polyester cording, size 16
Heavy duty extension cord & strip

Fabric:

Lots of different fat quarters and scraps to match them!
Hand dyed fabrics and & batiks work well here!
(Minimum of 2 fat quarters each for two bowls - 4 fat quarters total)
½ yard of heavy COTTON canvas, denim or duck fabric.

Please be brand specific on these two:

Timtex (@ ½ yard) - do not get heavy duty interfacing!
Wonder Under, @ 2 yards - Steam-a-Seam and Heat & Bond brands do not work well for the bowls.
